

1

## Students from an EU/EEA country

You do not need a visa or residence permit.

2

## Students from Australia, Canada, Japan, Monaco, New-Zealand, Republic of Korea, Vatican City, the United Kingdom and the United States of America

If you have the nationality of one of the abovementioned countries, you will only need a residence permit in order to study in the Netherlands. If you already have a Dutch residence permit, please go to section 4 and 5.

3

## Students from all other non-EU countries

All non-EU students with a nationality other than mentioned in section 2 will need to apply for a visa and residence permit in order to study in the Netherlands. If you already have a Dutch residence permit, please go to section 4, 5 and 6.

4

## Students with a Dutch residence permit for the purpose of study

If you already have a valid residence permit for the purpose of study from another educational institution in the Netherlands, the University of Groningen can become the new recognised sponsor of your residence permit for the purpose of study. Please submit the Change of Guarantor application form before the application deadline mentioned in the information package.
